,REPORT-4

Event: Seminar on Career opportunities in industries

Date:- 6TH March 2023

Time:- 10:45 A.M- 11:30 P.M.

Department:- Women Cell

Name of Coordinator:-

Topic/Subject of Activity:- Career opportunities in industries

Resource Person :

1. Swati Satish Kumar - introduction to Caterpillar
2. Monika Satote - QMS in Manufacturing
3. Rakhi Kumari- Importance of Quality in Manufacturing
4. Aishwarya Ambhorkar - My experience as GET
5. Rijwana Jamadar- Logistics management and supply chain management
6. Ashwini Mathpati- Product Engineering
7. Nandini Bijwe - Women in production environment
8. Aditi Neralkar - Logistics management
9. Shraddha Agrawal - Worklife balance
10. Snehal Davkare - Financial independence

Participants:- Ladies staff members and Girls Students

Venue:- Training and Placement seminar Hall , P.E.S. College of Engineering, Aurangabad

Objectives: To guide students about how to get an opportunity where they can make the best of their potential and contribute to the organization's growth. Seeking a position in a company where they can launch their career and build a valuable skill set.

Abstract: A seminar on 'Carrier Opportunities in Industries" for women was organised by the women's cell of P.E.S. College of Engineering, Aurangabad. Training and development, career planning, and employee involvement are essential components of the human resource management of the organisation for its effective functioning and to achieve predetermined objectives. The objective of the organisation is not only to select the right people for the right job but also to encourage them to make the best use of their efficiency and effort for the betterment of the organisation. Human resources are said to be dynamic resources, and the successful functioning of the organisation depends on the attitude, behaviour, and performance of the employees.

The guest, Mrs. Swati Satish Kumar, had guided girls and ladies faculties about their company, Caterpillar. This seminar is precisely deliberate and contributes to the understanding of a wide span of issues, particularly focusing on the company management, their experience, and the company environment. The guests, Monika, Ms. Satote, and Ms. Rakhi Kumari, have briefly explained the importance of quality management systems (QMS) for a collection of processes used by businesses to help increase productivity, improve customer service, and reduce waste.

The guest, Ms. Aishwarya Ambhorkar, shared her experience as GET, then Ms. Rijwana Jamadar gave a brief idea about logistics management and supply chain management, then Ms. Ashwini Mathpati explained the role of product engineering, Ms. Nandini Bijwe gave a briefing about production environments, then Ms. Aditi Neralkar explained logistics management, then Mrs. Shraddha Agrawal guided the students about how they are balancing their work life as well as their personal lives, and then Mrs. Snehal Davkare shed some light on the benefits of financial independence that they have experienced after their job. Students have thoroughly enjoyed the programme and gained some valuable information regarding the company and their experience.

Snap of the Program:

Outcomes:

The guest Mrs. Swati Satish Kumar and their colleague had guided girls and ladies faculties about the Career Opportunities in Industries. This seminar precisely deliberate and contribute to the understanding of a wide span of issues particularly focusing on the women's career. This seminar will definitely help students identify their interests and strengths; expose them to a diverse range of opportunities to build experience and clarity about their goals; and empower them to pursue internships, jobs and leadership experiences they find personally meaningful.

REPORT-5**Event: Workshop on Yoga Day****Date:-** 20-06-2023**Time:-** 4.00 pm to 6.00 pm**Department:-** Women Cells**Name of Coordinator:-****Topic/Subject of Activity:-** Workshop on Yoga Day**Resource Person :** Dr. Smita Dixit**Participants:-** Girls Students and Ladies Staff**Venue:-** Vaishali Girls Hostel, P.E.S. College of Engineering, Aurangabad**Objectives:**

The objective of this workshop is to promote the many benefits of practicing yoga among the girl students and ladies staff members. In 2014, Indian Prime Minister Narendra Modi proposed the idea of observing this day on June 21 during his address to the 69th session of the UN General Assembly.

Abstract :

Women cell of P.E.S. College of Engineering, Aurangabad has organised Yoga workshop. Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. For this workshop the resource person was Dr. Smita Dixit, who is working as assistant professor in Vivekanand Arts, Sardar Dalipsingh Commerce and Science College Aurangabad as well as Certified Yoga trainer. She explained the importance of Yoga in the life of youngsters. She explained that regular practice of Yoga will help the students achieve better mental and physical health. Dr. Smita started Yoga demonstrations with the Yoga prayer. After which a few warm up and simple Asanas were performed by the girls and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by Smt. Smita.

Snap of the program :

The function ended with a vote of thanks by Dr. Asha Tupe. The function was organized by Dr. Asha Tupe and Prof. Vijaya Kamble along with all the Professors and office staff who put in a lot of effort to make the function a success.

Outcomes: students and staff understand the importance of physical and mental diseases and its solutions through practicing yoga. Girls were notice that Yoga is an invaluable gift from our ancient tradition. Yoga embodies unity of mind and body, thought and action a holistic approach [that] is valuable to our health and our well-being.

Tree Plantation Event

Event Title: Tree Plantation Drive

Date: June 15, 2022

Location: PES Engineering College, Aurangabad

Organized by: NSS PES Engineering College, Aurangabad

Participants: NSS Students, Faculty, and Staff

1. Introduction

The Tree Plantation Drive at PES Engineering College, Aurangabad, was organized as part of our commitment to environmental sustainability and to contribute to the global effort against climate change. This event aimed to enhance the green cover of our campus and promote the importance of trees in our ecosystem.

2. Objectives

- To increase green cover on the PES Engineering College campus.
- To raise awareness among students and staff about environmental conservation.
- To contribute to the local biodiversity and create a healthier campus environment.

3. Event Details

Preparation:

Prior to the event, the campus grounds were assessed to identify suitable locations for planting. Saplings of various species were selected, considering their suitability for the local climate and soil conditions.

Schedule:

- **09:00 AM:** Gathering and Registration
- **09:30 AM:** Welcome Speech by the Principal
- **10:00 AM:** Distribution of Saplings and Planting Kits
- **10:30 AM - 12:00 PM:** Planting Activity
- **12:00 PM:** Refreshments and Closing Remarks

Activities:

Participants were briefed on the importance of tree planting and proper planting techniques. Each participant was provided with a sapling and necessary tools, including gloves and trowels. The planting took place in designated areas around the campus.

4. Outcomes

- **Number of Trees Planted:** 50 saplings
- **Species Planted:** Neem, Banyan, Peepal, and Gulmohar
- **Areas Covered:** Hostels, adjacent open spaces, and along pathways

Benefits Observed:

- Enhanced aesthetic appeal of the campus environment.

- Improved air quality and potential for increased biodiversity.
- Fostered a sense of environmental responsibility among participants.

5. Feedback

Participants expressed enthusiasm for the event and a greater understanding of the environmental impact of their efforts. Many highlighted the event as an excellent opportunity for hands-on learning about environmental conservation.

6. Conclusion

The Tree Plantation Drive at PES Engineering College was a successful initiative that achieved its objectives of increasing green cover and raising environmental awareness. The participation and enthusiasm displayed by the students and staff reflect a positive commitment to sustainability.
