

P.E.S COLLEGE OF ENGINEERING, AURANGABAD
Nagsenvana, besides panchakki Aurangabad.
Department of Mechanical & Automation Engineering
Academic Year 2022-2023

Action Taken on Student's Feedback

Analysis of Feedback Received

The feedback of the students indicates that there is good response over majority of the parameters. This shows that Teaching and Learning process matched the course objectives and outcomes. The curriculum is well designed as per the industrial needs. The syllabus of the courses is adequate to meet present industry scenario and global competition. Learning environment of University has good atmosphere

Positive Comment

The content in the syllabus are still updated to meet the present Industry scenario and global competition.

The syllabus of the courses ensured the professional Ethical & social responsibility and team work skills.

Suggestion

1. Need guest lecture for the core subjects.
2. New value added courses have been introduced.
3. Students wanted to participate in intercultural and intra cultural competitions.
4. Student requested for Placement training class.

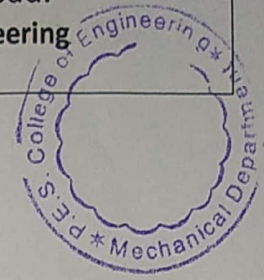

Action Taken

1. Webinar and Expert Lecture arranged
2. Two weeks various Certificates courses Run by Mechanical department.
3. Gathering and Annual Function arranged with Covid Precaution and Guidelines.
4. Mechanical Department Faculty appointed as Training and Placement Co-ordinator

Academic Year 2022-2023

Action Taken on Alumni's Feedback

Analysis of Feedback Received

All alumni feel proud that they are the students of this college. They are thankful to the college for providing quality education in such a rural place. They appreciate the dedicated, friendly and cooperative attitude of the college staff. They show their indebtedness towards college for the efforts and hard work of the faculty. They admit that the college played crucial role in shaping their professional, ethical and personal life. They admit that their association with the college not only enabled them to acquire a degree but also it helped them to become human beings and the college also helped to inculcate human values among them and enriched every sphere of their life.

Positive Comment

Most of the alumni rated quality of activities organized for overall development of students as excellent

The syllabus of the courses ensured the professional Ethical & social responsibility and team work skills.

Suggestion

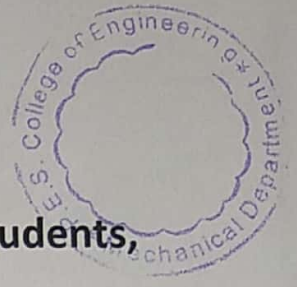

The following suggestions can be deduced from the analysis of alumni feedback

1. More exposure to field visits in curriculum
2. Curriculum may be revised including new topics. Flexibility in curriculum and need for skill oriented courses was suggested
3. More alumni involvement in college events
4. Improvement in canteen
5. More books on newer topics in the library

Action Taken

1. All the teachers were notified about the issue and they were encouraged to have more field visits as a part of their curriculum
2. Curriculum was discussed & restructured in BoS meetings.
3. The college has taken steps to enhance participation of alumni in college activities and events.
4. College library is updated by purchasing new books

HEAD OF DEPARTMENT

Academic Year 2022-2023

Action Taken on Parent's Feedback

Analysis of Feedback Received

Overall average of the parent's feedback was excellent on academic and non-academic facilities, Admission, of their ward in this college as first preference, was rated very high by the and parents have provided "Excellent" feedback rating for admission procedure adopted by the college. Security and discipline of the college campus was also highly commended by most of the parents. Parents also rated academic atmosphere very high, and most parents found college infrastructure adequate rated very good.

Positive Comment

Department faculty are very helpful in nature

Department has very good faculty of Regular cleaning of classrooms, labs toilets, common room, and college campus .

Suggestion

1. There would be more resources provided in the library
2. There should be a parent-teacher interaction at least once in a session.
3. Parents requested for regular class tests for their ward year round as internal performance evaluation.

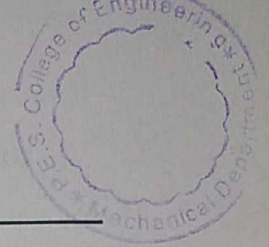

Action Taken

1. New book purchased for the department
2. Monthly phone calls and discussion with parent by the mentee
3. Class test and Assessment conducted As per University time table
