(herein after referred to as PESCOE) and One Smarter Inc USA, 4031, Colonel Glenn Hwy Ste 100, Beavercreek, OH 45431 (here in after referred to as One Smarter).

PREAMBLE

P.E.S. College of Engineering established in 1994 in historic city of Aurangabad, approved by AICTE New Delhi and affiliated to Dr. BATU, Lonere. It is one of the leading Engineering Education Institutes in Aurangabad which provides academic excellence for aspiring students. Along with academics, students as well as faculties must have industrial exposure & awareness to latest trends of technology. This is possible with the joint efforts by academic institutions & industries for welfare of society. One Smarter takes a unique and innovative approach to trainings that helps students connect with the subject matter they need to master. Through personalized and focused training processes. A collaborative effort can strengthen technical skills & awareness. This Memorandum of Understanding between PESCOE & One Smarter is made for enhancing the technical skills of students with mentioned commercials.

PURPOSE

The purpose of this Memorandum of Understanding between PESCOE and One Smarter is to strengthen the Industry Academia Engagement with mutual understanding under which both the institutes will work together for better outcomes

PESCOE is committed to service in the community and applied learning experiences for its students. This is accomplished through a Center of Excellence, Practice, Service Learning and Campus Placement. Field education and service learning involve the completion of internship assignments in the local community that tie meaningful learning experiences directly to course content. Through these activities students enhance their understanding of course content, sense of civic responsibility, self-awareness, professional development and commitment to the community.

PESCOE and One Smarter recognize the opportunity for meaningful learning experiences for students of PES College of Engineering, Aurangabad and agree upon the following:

Responsibilities of One Smarter:

1. One Smarter will establish Software Development Centre which provides complete and meaningful learning and hands on training platform
2. Provides paid internships to the students
3. Provides live projects to the students
4. Placements to enrolled students

Responsibilities of PESCOE:

1. P.E.S. College of Engineering will provide civil infrastructure along with electrification and furniture.
2. PESCOE will appoint/nominate faculties for supervision and mentorship of the activities.

Duration / Term of the MoU:
This MoU shall be valid for five (5) years from the date of its entering into and may be mutually extended from time to time in writing by both parties.
Changes / Amendment:

No change can be made to this MoU without written consent and duly signed by both parties. Additions, deletions and/or alterations to this MoU may be affected with the written agreement of both parties to this MoU concerning the changes.

This MoU is prepared in two identical copies. Each organisation holds one original copy duly signed by the competent authority.
