## Visit to Regional Forensic Center

<b>Title</b>	: Visit to a Regional Forensic Center
<b>Date</b>	: 21/01/2020
<b>Time</b>	: 1:15 pm – 5:00 pm
<b>Faculty Coordinator</b>	: Prof. K. R. Dabhade, Prof S. M. Salve, Prof. N.R. Khatri, Prof.N. S. Syed, Prof. S. V. Bhosle, and Prof. B. M. Kulkarni.
<b>Participants</b>	: SY, TY and BE Students of CSE department
<b>Venue</b>	: Forensics Center, Aurangabad
<b>Organized by</b>	: CSE Department
<b>No. of Participants</b>	: 70

### Objectives:

- To make Students socially responsible and aware.
- To make students aware of all the crimes and safety measures.
- To show different forensic practices.

### Details of Program:

21st January: A visit to a regional forensic science laboratory was arranged by the CSE department of P.E.S. College of Engineering. This visit was organized in order to celebrate the forensic awareness day. The students were accompanied by staff members including Prof. K. R. Dabhade, Prof S. M. Salve, Prof. N.R. Khatri, Prof N. S. Syed, Prof. S. V. Bhosle, and Prof. B. M. Kulkarni. All the students gathered in a lab for the attendance and then gathered at the college campus at 1.15 pm.

In the forensic lab, a common session was conducted about the basic practices in forensics by the staff of the lab. After gaining some information about the importance of forensics the students were decided into a few batches. These batches were distributed with different speakers and demonstrators in different labs.

The topic that was explained was, DNA testing, Voice recognition, Content alteration or editing, Poison testing, Drug testing, Alcohol concentration, etc.

The process of voice recognition was explained with the help of a few examples. How to identify the edited data was also explained. Various applications or tools used to do such things were shown. The process of identifying the cause of death of a person was explained. The steps of identifying the presence of poison in the

body were explained. The quality or the standards of alcohol concentration was shown to the students. All the different types of alcohol products were shown with their expected alcohol concentration.

In the end all the students gathered in front of the forensic lab together to take a picture. Finally, all the students were taken back to the college by the in-charge teachers.

This visit was indeed a successful one.

NO ADDRESS  
AURANGABAD, MAHARASHTRA  
431002 INDIA

Dear MRS. MANISHA AMBEKAR,

Thank you for being a part of the SOS India Family and supporting the #NoChildAlone campaign by SOS Children's Villages of India. There are 2 crore children in India who do not receive adequate parental care. This number is estimated to rise to approximately 2.4 crore by the year 2021. The #NoChildAlone campaign by SOS India is a call to acknowledge the plight of these 2 crore children and evince a response to ensure that over 28,000 children under the care of SOS India will never be alone again. SOS Children's Villages of India has been working for over 50 years to provide family like care to such children, when brought into any of our Villages.
