

Report On Blood Donation Camp

Report:

A Blood donation camp was organized by our NSS unit, in P.E.S. College of Engineering, Aurangabad through which more than 35 units of blood was donated by both students and the staff members of our Engineering college. It is a way of P.E.S Engineering College, Aurangabad gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

1	Name of the Activity/Event	Blood Donation Camp
2	Date of Activity/Event	11-04-2022
3	Organized by/Name of the committee	NSS UNIT,
4	Name of the Association	Aurangabad Blood Bank
5	Place of Activity/event	P.E.S. College of Engineering, Aurangabad
6	Type of activity/Event	Blood Donation
7	Activity/Event objectives	<p>1. To collect blood units but also to make students aware about blood and its benefits.</p> <p>2. It was an effort to motivate students to come forward and donate for this noble cause.</p> <p>3. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too.</p> <p>4.To help anyone, in case of any requirement for blood.</p>
8	Total Participation	40
9	Enclosures	<p>1.Report</p> <p>2.Photos</p>

REPORT

Topic/Subject of Activity:- Efficient use of Energy & Resources

Event: Workshop

Date:- 29 Sept. 2021

Time:- 11.30 am

Department:- Electrical Engg. Department

Name of Coordinator:- Dr B N Chaudhari

Resource Person Details :-

Name :- Kedar Khamitakar

Designation:- Energy Auditor & Faculty

Organization name:- PCRA (Petroleum Conservation Research Organisation)

Mobile number:- 9850244701

Mail id:- bkkedar@gmail.com

Participants details:- 45 Nos

Venue:- PESCOE, Aurangabad

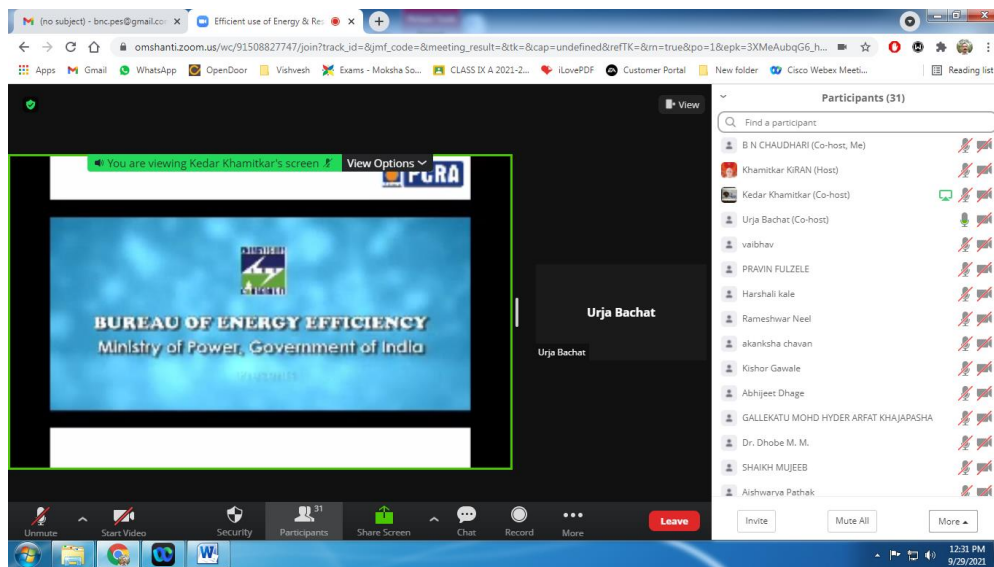

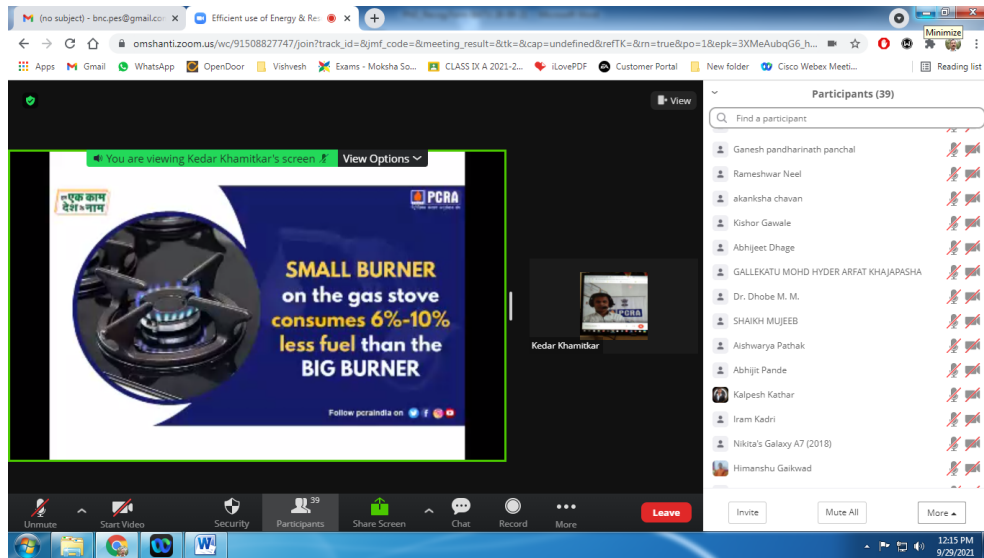

Objectives:

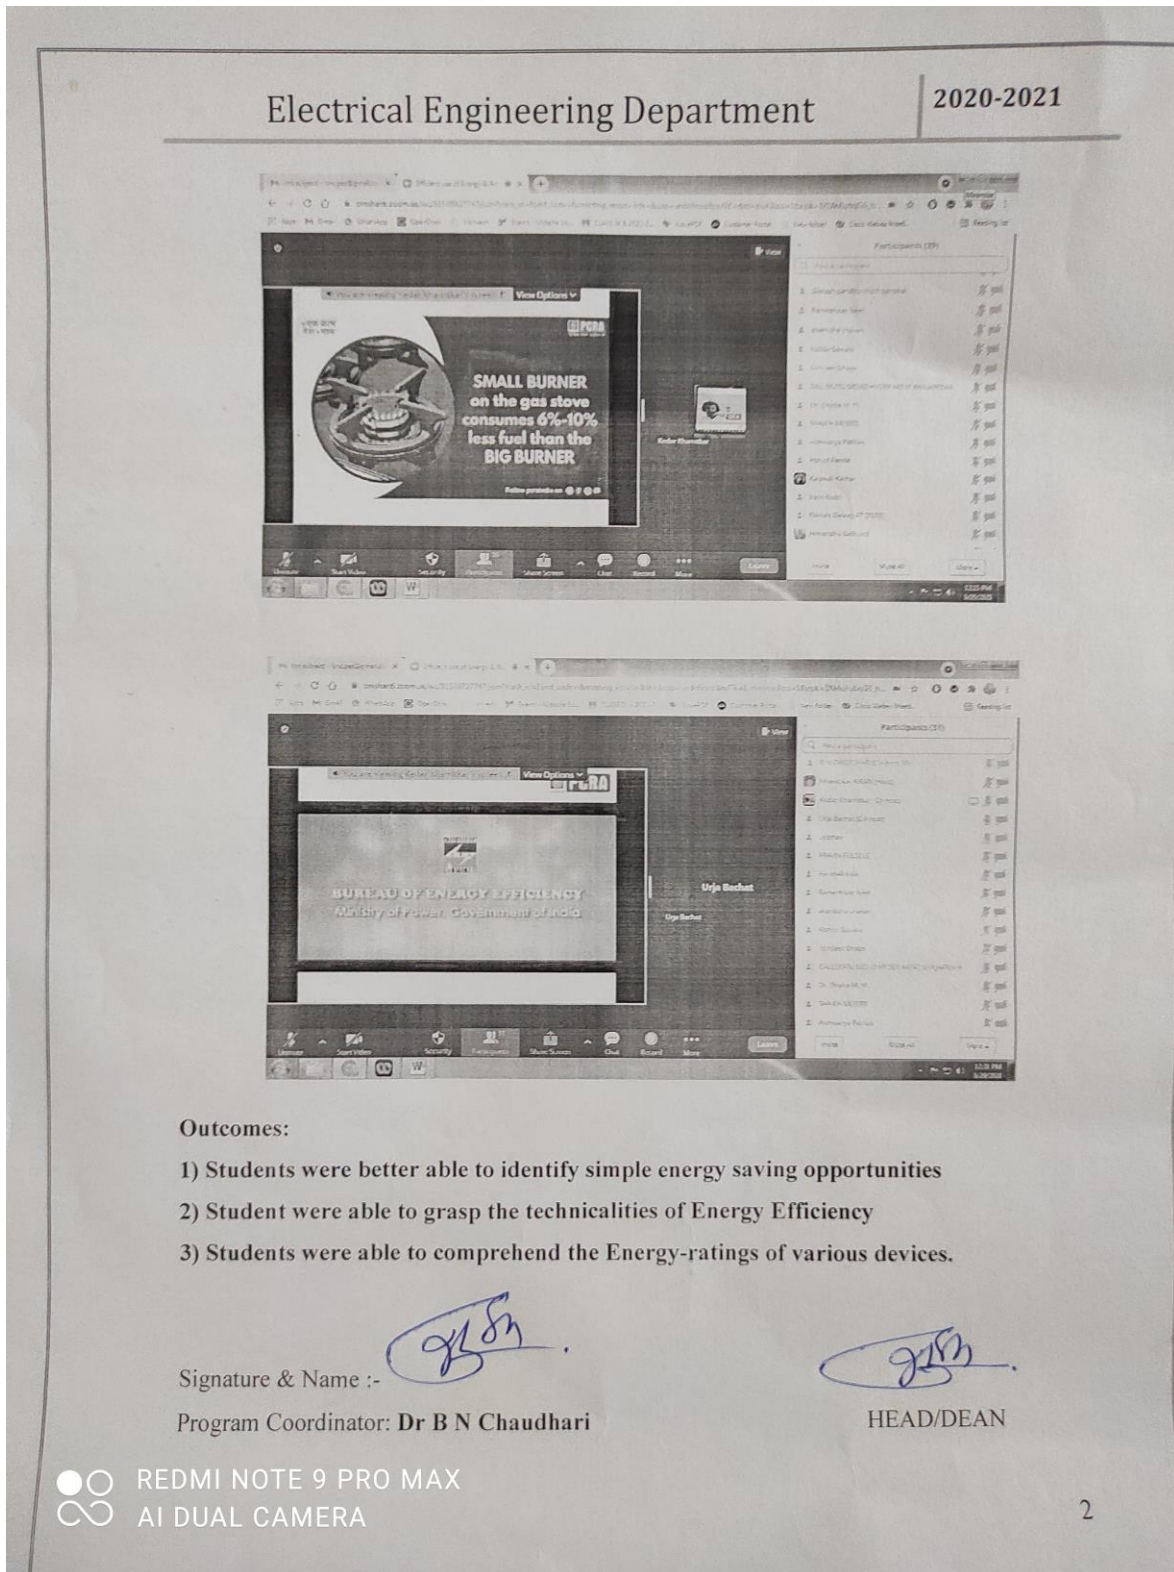

To create awareness regarding Energy Conservation

Abstract:

The Workshop focused on imparting crucial information regarding Energy Conservation. With practical & easy-to-understand implementation tips, the resource person discussed energy maximization of Appliances such as Small Burner, Gas Stove (with 10% less fuel), Info regarding BEE & Energy Star Ratings of Equipment, energy efficiency in air compressor system, Household equipment including Energy-efficient lighting, and energy efficient motors.

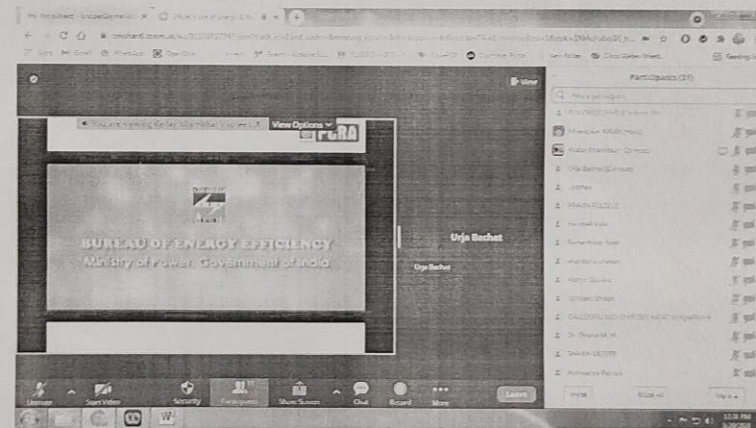

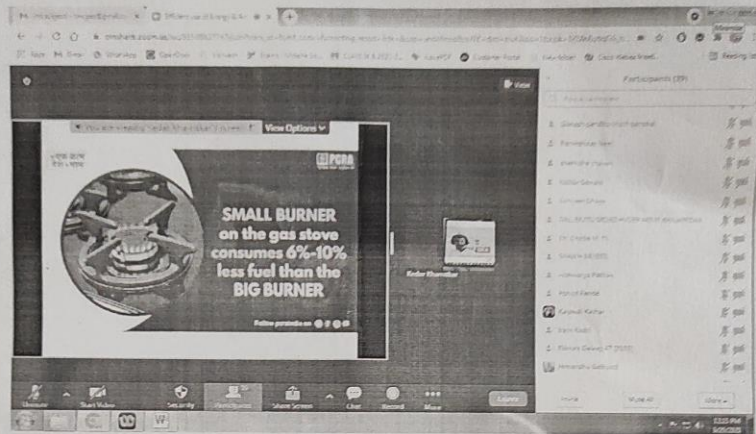

Snaps/Photos of the Program :-

Electrical Engineering Department

2020-2021

Outcomes:

- 1) Students were better able to identify simple energy saving opportunities
- 2) Student were able to grasp the technicalities of Energy Efficiency
- 3) Students were able to comprehend the Energy-ratings of various devices.
