

People's Education Society's (Mumbai) P.E.S. College of Engineering, Aurangabad

Institutional Distinctiveness

Promoting the students to reach at a higher level in their chosen field is our motto. Accordingly, we have initiated and designed a Soft-Skill training module for all the students. This guidance and mentoring help the students to develop their soft-skills in all the dimensions.

We have started new program during this year, named as Project Light House which is a learning cum Employment program run by One Smarter Inc. USA. Students are working on live projects under this banner as per their skill set and career interest. Various career paths are like Cyber Security, Big Data, Artificial Intelligence, Data Science etc.

We promote social activities and support various events for society. As per our vision we motivate the students towards morality and social democracy, to ensure all round development of the students. We regularly conduct such activities in our institute like visit to orphanage center and old age home, Rally related to current and pinching issues, street plays to give important messages to the public.

Birth anniversary of our emancipator Dr. Babasaheb Ambedkar is celebrated in our institute. As per our vision and mission to create sound technical manpower with global competitiveness, 18 hours Study Program is conducted at our campus. This promotes learning habit of the students, there by motivating them towards intellectual democracy.
